

Holly K. Wyneski, MD

Southwest Urology, Inc. is pleased to announce the addition of Dr. Holly Wyneski to our practice. Dr. Wyneski is a Urologist who specializes in diseases of the kidney's, bladder, prostate and testes. She treats male infertility, erectile dysfunction and has a special interest in incontinence and female urology.

Dr. Wyneski received her undergraduate degree in Combined Sciences from Youngstown State University where she was awarded Summa Cum Laude. She earned her Medical Degree from Northeastern Ohio Universities College of Medicine (NEOUCOM) as well as completing her Residency at NEOUCOM.

Dr. Wyneski is board-eligible having passed Part 1 for the American Board of Urology and is a member of many medical societies including the American Urological Association and the Ohio Urological Society. She has authored numerous publications and remains active in research and education.

She is a native to the area having been raised in Seville, Ohio and graduated from Cloverleaf High School. Dr. Wyneski is married and has an 18 month old daughter. She is a Cleveland Browns fan and she likes to travel as well as refurbishing old furniture.

Southwest Urology now consists of eight specialty-trained Urologists and have offices in Middleburg Heights and Medina to care for your urologic needs.
